WOOL BLEND CREW HEATED SOCKS

MWUS29 **NEW**

\$99.99

Everyday comfort with just the right amount of warmth. The Merino Blend Heated Socks feature a soft merino wool blend, crew-length design, and a single heat zone under the toes for subtle, targeted warmth. With a comfort toe seam, heavy cushioning in key areas, reinforced heel and toe, and no-slip features, they're perfect for staying warm on chilly days without the bulk. Ideal for daily wear, light outdoor use, or cold-weather commuting.

FEATURES

- **New Everyday Crew Merino Wool Blend Heated Sock with natural Anti-Odor and Moisture Wicking**
- Crew Length Sock
- Left/Right Foot Design
- **Comfort Toe and No slip features**
- **Heavy Cushioning in Key Areas for Abrasion Protection**
- **Compression Arch Support**
- **Heal and Toe Reinforcement for Added Durability**
- 1 Heat Zone: Heat under toes
- 3.7volt Powersheer® Curve Rechargeable Lithium-Ion Battery
- **4000mAh Contour Battery**
- Up to 16+ Hours of Power Per Charge
- **Wireless with Remote Controller**
- USB to Split USB-C Charging Cable
- Machine Washable
- Sizes-Unisex: MD, LG, XL

PREMIUM HEATED BLUETOOTH INSOLE

MWUS09

\$189.99

Warmth where it matters most—right under your toes. The Premium BT Heated Insoles feature an ultra-thin design that fits easily into any boot or shoe and can be trimmed to size for a custom fit. A single heat zone targets the toes for lasting warmth in cold conditions, and Bluetooth® control lets you adjust the heat with ease. Perfect for snow boots, workwear, or any footwear built for long days in the cold.

FEATURES

- **Ultra-thin Breathable EVA Design Fits Well in any Shoe or Boot**
- **Fits in a variety of shoes and footwear**
- **1 Heat Zone: Under the Toes**
- **4 Selectable Heat Settings**
- **Bluetooth Control with MW Connect App**
- Up to 6+ Hours of Heat Per Charge
- Integrated 3.7volt Rechargeable Lithium-Ion Battery
- Split Micro-USB Charging Cable
- Spot Clean
- Sizes: SM, MD, LG, XL
